Wholesale Catalog

PRICING
Every item in this catalog is listed at wholesale. Please note that we have two pricing structures:
1. Case Pack Quantity: if you purchase an item in the listed case pack quantity, or higher, you will be charged the lowest available case pack price.
2. Less Than Case Pack Quantity: if you wish to purchase an item in less-than-case-pack quantities, we are happy to oblige, with an upcharge to help cover additional warehouse expenses for doing so.

TERMS
Net 30; F.O.B. Factory; Minimum opening order of $250/reorders $200. No return accepted without written authorization.

A. ACCOUNTS
Our terms are net 30—F.O.B. factory. All credit cards accepted. We route your shipment via the fastest and most economical carrier unless otherwise specified. Your credit references should include four or more current suppliers with phone, fax, and account numbers

B. PRICES AND ORDERING PROCEDURES
1. All prices are subject to change without notice. All merchandise subject to prior sale, availability and prevailing price at time of shipment.
2. To avoid errors, please give stock number, description, quantity, and price of each item ordered.
3. No back order held under $200, and only allowed orders of $750 or more.
4. Place order by email or fax.

C. CLAIMS AND DEFECTIVE MERCHANDISE
1. Claims for shortage must be made within five days after receipt of goods.
2. Freight damage must be claimed directly against the carrier. Carrier is liable for loss or damage during transit. Examine each shipment at once and report discrepancies to the delivering carrier immediately.
3. No return merchandise will be accepted without written prior or faxed request to our Customer Service Department. Request for return must be made within 90 days of receipt. Original Spheres

The Hoberman Sphere is the original award winning geometric expanding/ contracting ball. Made of linked plastic struts each one is a marvel of mechanical engineering. Pull on any of the sphere's hubs and watch as it expands dramatically from 9.5" to 30"! Kids want to touch it, adults want to examine it, and everyone wants to play with it. All spheres come with a pulley, hardware and instructions to hang as a cool, kinetic mobile. An educational booklet about the geometry of the Sphere and a "21 Cool Things to Do" activity sheet is also included.
